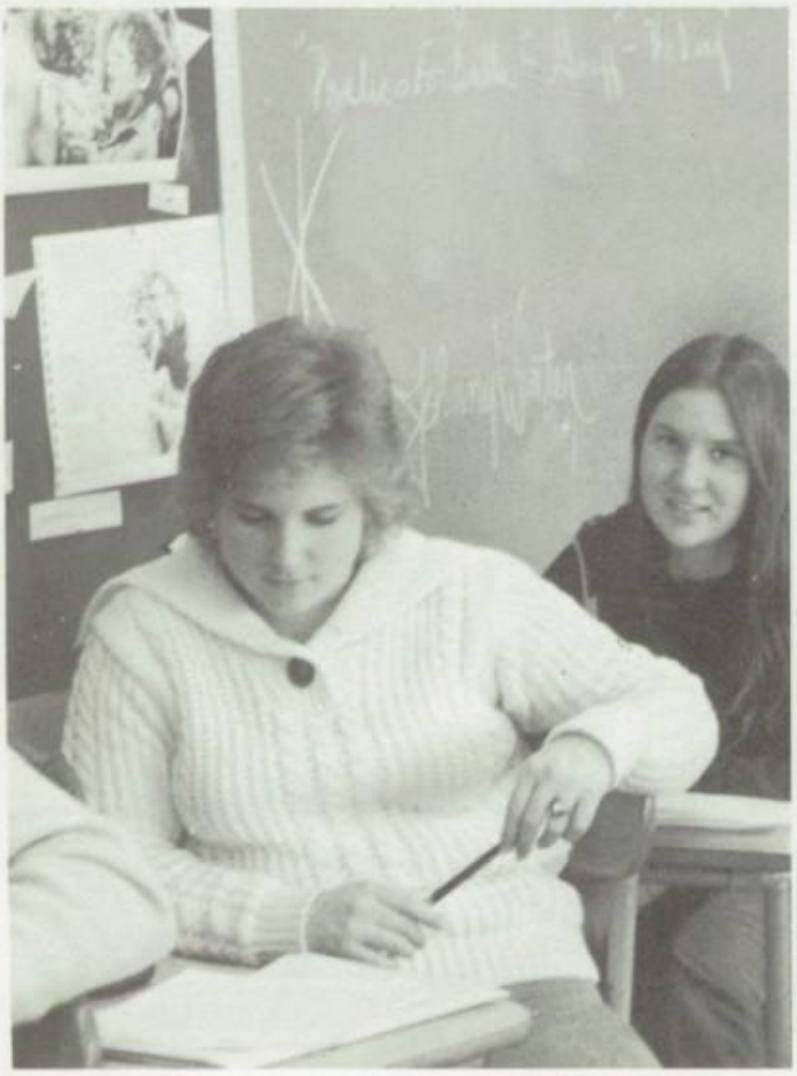
DEDICATION

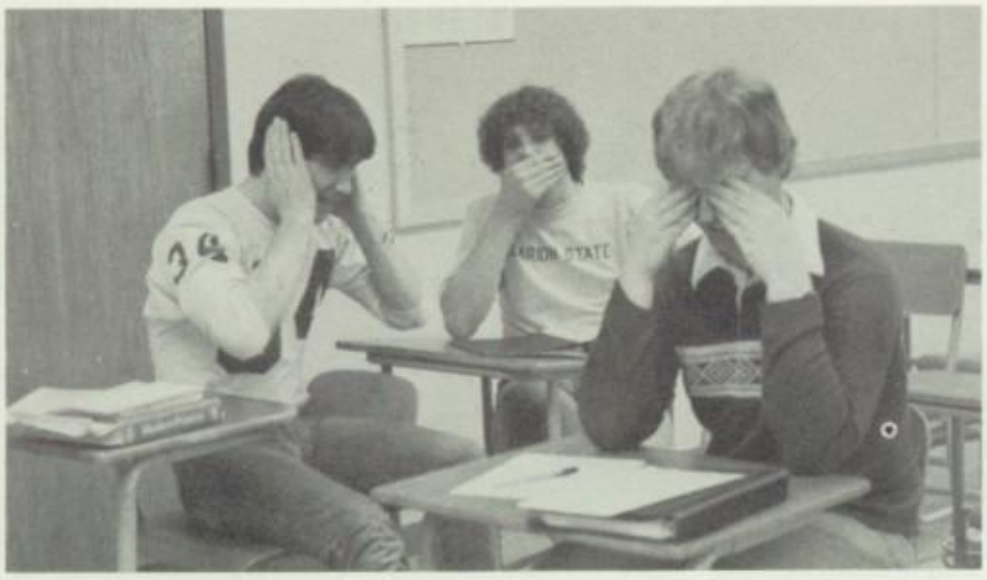
Victory is felt in the hearts of the strong and devoted. It is not always something that can be touched or seen like a trophy but is a sense of spirit that lives within all true winners.

The 1980-81 varsity football team has been a symbol of this spirit. By overcoming the disappointment of defeat and showing the importance of never giving up, the team displayed their ultimate goal — Victory.

This spirit of victory has helped the team find the strength to believe in themselves when almost no one else did and to prove that they are truly winners in every aspect of the word. They reached their goal and provided inspiration and pride for all of us.

Therefore, we the Class of '81 proudly dedicate this Electra to the 1980-81 Varsity Football Team.





Hear no evil, speak no evil, see no evil!

SENIORS

Senior Class Officers: Janice Gee Secretary, Bill Nash Vice President, Heather Hixson President, Antoinette Arvay, Treasurer.

It is not possible for us to recapture each and every one of the memories that we have within us from our past five years at SHS. For many of us it was a long, hard struggle, but for others the time went much too quickly. We each have our own special thoughts that come to mind when we think of SHS. They could be our memories of teachers, classes, or activities that we participated in during school, or the activities that we engaged in over the weekends. We've had our differences as any group of individuals will, but as a class, the class of '81 has overcome any differences to make this a special year. We may forget some of our experiences at SHS, but the smiles that were shared, tears that were shed, friendships that were formed, and the knowledge that was gained will remain in our hearts forever.

The Dynamos of 1980 were a team lacking in experience and seniors. Even though, they lost none in section play, and made it into the playoffs only to lose a close game to Upper St. Clair in the first round. This seasons standouts were: Ed Boyle, Mark Vincler, Mark Perry and Dean Zanella. Mark Perry was the only player from Section I to be selected to the Terrific Twenty All Star Team. Losing only three seniors to graduation this year, the underclassmen vowed to bring another title to Springdale next fall.

This years Varsity team was comprised of all seniors. This group of dedicated girls had worked and played together for most of their high school years. They had the talent to go all the way but just couldn't win the crucial games.

One of the referees said, "When Springdale is psyched for the game they could surpass, any team in the valley." Well, unfortunately, they weren't always up in the important moments and therefore, leading to their losses to Plum, Kiski, and Valley.

The graduating seniors would like to wish the underclassman the best of luck in the future.

Basketball this year was another one of Sringdale's many success. The Varsity team although not making the playoffs this year, put up a good fight in their difficult 13-AA Section. Losing to Freeport and Hampton in the beginning of the season, the Varsity came on strong to beat them in the second round, scoring seventy-one points against Hampton.

The future for the Dynamos looks promising. This year our eighth and ninth grade teams were Section Champs. The eighth grade went undefeated with a record of 20-0. The ninth grade had a record of 20-3 overall to win their section.

Much luck and future sucess to our basketball teams.

*Section Tiebraker

Girls Basketball was at its best this year. The girls had a record of 10-4 in section play and tied for second place with Riverview.

There were many reasons for their success, Janet Kartovicky for one, was named the Premiere Sophomore of the valley. Gwen Bauman was voted Athlete of the Week by the Valley News Dispatch, for her outstanding ability. But the key to their success was their team effort and leadership they displayed every time they took the floor.

The seniors: Amy Fogelin, Joanne Kucznski, Cindy Lucas, and Judy Meyers; showed their maturity by their hard work and dedication, and will be surely missed next year.

The future for the Dynamos looks promising. They have the talent and the determination to put it all together and make it work. We wish much luck and success to Miss Rid's Kids in the future
